Brother Sun Sister Moon - ord  
by Donovan  
D Fm D  
Brother Sun, and Sister Moon  
C seldom see you, seldom hear your tune:  
M Fm D A D  
Preoccupied with selfish misery.  
Brother Wind, and Sister Air  
Open my eyes to visions pure and fair:  
That I might see the glory around me.  
C Fm  
I am God's creature,  
Of his I am part.  
I feel his love  
Awakening my heart.  
Brother Sun, and Sister Moon  
I now do see you, I now hear your tune:  
So much in love with all that I survey.  
I am God's creature,  
Of his I am part.  
I feel his love  
Awakening my heart.

Photo Courtesy: Andrew Chin/Getty Images As each verse gets more intense, relaxing 1970s synthesizers are used as a distraction to cool you down before hitting you with another verse. Photo Courtesy: Lisa Lake/Roc Nation/Getty Images ÅÅSexy Black TimberlakeÅ It's the first single from Black Moses, his last EP. Gooda A© your most aggressive and dizzying disc track that quickly leaps from vibrant beats to synthesized and smooth R&B. It's heavy in melodrama, and you can't hear your guttural pain growing, but there's a touch of irony involved in music. Her last album Igor was a creative mix of rap and R&B that peaked at number one on the Billboard Top 200 Albums chart. The pop star made a big splash in 2019 with the release of her debut album @ia Because I Love You. Suppose the shape is a beautiful moment of discovery powered by piano and strings for Blake and a soft reminder for all ³ to live longer at the moment. Lana Del Rey You're like the last item you don't pack in the car before driving to the sun. In 2017No Shape, he wonderfully examined his gender confusion and challenges living with Crohna's disease. And Vampire Weekend also joined. Eye in the Wall, your collaboration with the ³ Kate Wallich, you're giving in to your body's desire to move. You can swear that Tool had a meeting. Carrying the emotional weight of the relationship while fighting against the approval of the public far from being confusion and their love seems to have soured what could have been. Photo Courtesy: Randy Holmes/ABC/Getty Images It was a powerful confession from the musician who wanted to use his ³ story to help remove the stigma surrounding mental illness. Damn it, she was even content to return to the rocky resurgence of the late 2000s in New York.
